

Vestry Highlights 2-21-17

These are the highlights of the Vestry Meeting of Feb. 21, 2017

Profile Update: As of Feb. 21st, we were anxiously awaiting approval of our profile from the Bishop. We now have that approval and wish to thank our devoted, talented profile committee members for all their hard work. Our Search Committee is formed and consists of the following members: Zoe Baldwin, Shawn Fearon, Tom Holsinger-Friesen, Ed Greene, Carrie Heider Grant, Clark Hutchins, Dennis Marsh, Val Rowley and Rhonda Rudolph. Tom Holsinger-Friesen will chair this committee.

The Parochial Report was completed and submitted to the diocese.

Memorial Money: The church will receive a large sum of money from The Bisbee Trust. Our share will be \$432,523.50. The vestry discussed options regarding paying off the mortgage on Holy Spirit Hall. We are seeking further guidance on this matter. We ask for your prayers so that we may truly be good stewards of this generous gift.

Convention Delegates: The Vestry is looking for people willing to attend the Diocesan Convention in October. Delegates do not need to be from the Vestry. Please consider this matter prayerfully.

6 members of the vestry attended a Vestry Retreat yesterday in Brighton, MI. The theme of the workshop was Diversity and Inclusion. An action plan was started and will be brought to the vestry next month for further planning on how to share this with the congregation.

This meeting was Fr. Rich's last Vestry meeting. While we are sad to see you go, we wish you all the best and God's abundant blessings.

The next vestry meeting is March 21st and everyone is welcome to attend.

These highlights will be placed on the vestry bulletin board and on the church webpage.

This concludes the February vestry highlights.
